

# AATLAS™

ADVANCED AMPHIBIOUS TRANSPORT LIFT AND STORAGE

## The Total Launch, Recovery & Storage Solution

### Hydraulic FloatLift™

#### Dry storage on water

- Preserve assets by maximizing boat life
- Service boats on the water
- No bottom painting, reduces fuel costs

### Universal Hydraulic Trailer

#### One trailer for entire small boat fleet

- Rapid off-loading to land
- Boat block in minutes, saving hours
- Non-certified operator can use trailer

### Boat Lift as a Boat Stand

#### Save time and space

- No boat stands/blocks needed
- No waiting for travel lift or crane
- Safer and easier
